

VOLUNTARY SCHOOL FEE

During the school year we have numerous activities and special programming which take place. We also have a variety of clubs, teams, performances and field trips in which everyone is welcome to participate. In order to continue with special activities and programming a voluntary payment has been requested. This payment helps support the above initiatives, as well as supplement the cost of student agendas. As in previous years, we are asking for a **\$20 student fee per child in kindergarten to grade 6, and a \$25 student fee per child in grade 7 and 8.** This fee helps our students and allows us to do more at Steve MacLean. Please make cheques payable to Steve MacLean P.S. Please note that we will continue to assist any family in need. Thank you for your support!

OCDSB SCHOOL SUPPLIES LIST

The Ottawa-Carleton District School Board has developed a common list of recommended personal use items for students in grades JK-3 and grades 4-8.

This list of supplies is voluntary; however if you are able to provide the following items it is very much appreciated. By not having to provide common school supplies, the school is able to spend its operating budget on other items, such as technology.
